

NESY User Symposium

Sept. 29–30, 2022

NESY User Symposium

on Neutrons and Synchrotron Radiation

Leoben (Austria), September 29th–30th, 2022

The NESY User Symposium is organised as Part (Thursday 29.09) & Satellite Event (Friday 30.09) of the ÖPG 2022: <https://oepg2022.unileoben.ac.at/>

We start on **Thursday** with a NESY Session of the ÖPG.

On **Friday** all scientific topics beyond ÖPG will be presented including an **International Speakers' Session** that covers NESY topics around: European Sources, Austrian User Affairs, Access to European Beamlines, ...

Finally, we aim to bring the Austrian NESY community together!
